The **Cromwell BMX Club** will comply with the requirements of the Health and Safety at Work Act 2015 by committing to providing and maintaining a safe and healthy environment for all riders, families and visitors to the BMX Event facility. It is the sports policy to "make every practical and reasonable effort to protect all visitors, to prevent accidents or serious harm injuries and promote safety and welfare of all persons while on the event facility". The **Cromwell BMX Club** will take all possible steps to list and evaluate hazards and to determine solutions to eliminate or minimise those hazards as part of the Risk Management Plan (RMP), to meet the sport policy noted above. BMX racing is an action sport & inherently has risks that are accepted as part of the sport. All known risks are noted in the RMP of the **Cromwell BMX Club** & this is available onsite during the event. Parties wanting to assess the RMP prior to entry must contact proper medical treatment being administered. Event entry also consents to submit to drug testing if required. All entrants agree to be bound by the regulations and general conditions for this event as published by BMXNZ in its latest rule book. Any reference to BMXNZ within this flyer or entry is referring to BMX New Zealand Inc.

Safety and safe practices at all BMXNZ calendar events are not negotiable and failure by anyone to comply by the code of conduct or rules of the sport will result in the removal of such a person from the event facility.
