Championship Classes:

Female: Jnr and Elite

Male: Jnr and Elite

RACE TIMING & FINISHING:

Transponders will be used in conjunction with finish line camera system for all riders except participation classes.

RIDER/TRANSPONDER REGISTRATION:

All transponders will need to be registered onsite prior to racing. This will be done at the check point near the Admin hut. The process is a simple roll over a mat loop and then checking details on a screen. Any rider detail errors must be noted with event admin immediately. This process can be done after 3pm Friday until end of practice and Saturday from 07.00 until the end of practice. It is the rider's responsibility to have the correct transponder fixed to their bike and ensure subscription is current. Riders failing to have a working transponder affixed will be deemed as did not finish (DNF). If a rider's transponder fails during a race, a best effort will be made to correctly place the rider. If determination is not possible, the rider will receive last place. Please update your Online Profile with your transponder number BEFORE the entries close - <https://nzbmclub.com/riderportal>

RACE NUMBER PLATE ALLOCATION:

NZ Club Team Managers only to complete and collect Club Packs:

Friday 4 December	1:00 pm - 3:00 pm
Saturday 5 December	7:00 am to 7.30 am

Official Number Plates must be used at this event, including all official practice sessions.

Ranking Plates - A rider holding a 1 – 8 ranking from the following meetings; Worlds 2019: W1-8, Oceania 2019: O1-8, BMX NZ National Championships 2020: NZ 1-8, North Island Titles 2019: NI 1-8 and wish to use this number at the meeting, the ranking must be clearly marked on the entry form. **Non-Ranked Plates:** Riders may select any number between 51 and 999. Riders not choosing to self select a plate number or supplying an incorrect ranking will be issued with randomly selected numbers.

EVENT PRACTICE :

Official practice times are detail below, the track may be available prior to these days, which the club will issue available times. All safety gear to be worn, event number plates and transponders fitted at official practice sessions.

BMXNZ EVENT HEALTH and SAFETY STATEMENT

BMXNZ, The Waikato Region and Te Awamutu BMX Club will comply with the requirements of the Health and Safety at Work Act 2015 by committing to providing and maintaining a safe and healthy environment for all riders, families and visitors to the BMX Event facility. It is the sports policy to "make every practical and reasonable effort to protect all visitors, to prevent accidents or serious harm injuries and promote safety and welfare of all persons while on the event facility".

BMXNZ, The Waikato Region and Te Awamutu BMX Club will take all possible steps to list and evaluate hazards and to determine solutions to eliminate or minimise those hazards as part of the Risk Management Plan (RMP), to meet the sports policy noted above.

BMX Racing is an action sport and inherently has risks that are accepted as part of sport. All known risks are noted in the BMXNZ Major Meeting RMP and this is available onsite during the event. Parties wanting to assess the RMP prior to entry must contact the club for detail. Entry to this event confirms an understanding of the risks of the sport as noted in the RMP. In the event of injury to an event participant, a completed entry is consent to proper medical treatment being administered. Event entry also consents to submit to drug testing if required. All entrants agree to be bound by the regulations and general conditions for this event as published by BMXNZ in its latest rule book. Any reference to BMXNZ within this flyer or entry is referring to BMX New Zealand Inc.

Safety and safe practices at all BMXNZ calendared events are not negotiable and failure by anyone to comply by the code of conduct or rules of the sport will result in the removal of such person from the event facility.
