

BMX NEW ZEALAND EVENT GUIDES CHAMPIONSHIP JUNIOR SELECTION QUALIFIER EVENTS

As noted in the previous and pending CNZ Selection Regulations, there will be three localised selection events in 2022 and 2023. These are set to assist Championship Class Junior riders to have the option of an accessible secondary selection pathway toward the 2023 World Championships in Glasgow, Scotland. These events are run for Championship Class Juniors only and are focused on tracks that replicate the level that will be encountered at World Championship and World Cup events.

Each event will be run to the standard Championship Class regulations. The outcomes will be noted by selectors so that these can be used to assist selection decisions for the 2023 UCI BMX World Championships.
